Manager's Corner

SUMMER HOURS...

Effective April 4th, 2010, we will be closed on Sunday and starting May 3rd, the office will close at 3:00 pm for our summer hours

If you need to speak to Sandra outside of office hours, please call for an appointment.

Please remember we accept post dated checks for payment on your rent or sewer. Also automatic withdrawals on your bank accounts or your credit card can be arranged for rent or sewer payment thru the office.

THANKS...

To all our residents who gave of their time and energy as volunteers to make all of our activities and special events happen.

Without our activities and special events, Crystal Lake Village would not be as enjoyable as it is with them.

We really appreciate all those who help throughout the year.

NEW BOXES....

In the mail center, we have added two new boxes. One marked "Not My Mail" box just inside the outside entrance.

The other is under the bulletin board for aluminum cans and junk mail. Please use them.

WHEN LEAVING...

Please stop by the office and let us know when you are leaving. Also check to make sure we have your correct northern mailing address and telephone number. We really need to know how to reach you in the summer just in case.

If you are an owner here in our community, please retain your gate transmitter for when you come back in the fall.

Also don't forget, if you want the park's newsletter, please leave self-addressed stamped envelopes at the office. We will be happy to mail them to you. Also, the newsletter is available on our web site after the first of each month.

Our web site address is:

www.crystallake-village.com

Have a safe trip home and we will see you in the fall.

While you are away...

Please email the office with your summer news, we will gladly put it in our monthly newsletter. We all like to hear from our friends and family year around, so email us so we can pass it on.

You may contact us at our email address:

MOTHER'S DAY IS MAY 9th

Just an early reminder so you won't forget

Jewelry is always welcome.

Chocolate is acceptable also.

Just how guilty do you feel?

You're in the South if...

A possum is a flat animal that sleeps in the middle of the road.

It is not a shopping cart, it is a buggy!!

People actually grow and eat okra.

"Fixinto" is one word.

You don't PUSH buttons, you MASH EM.

You switch from heat to A/C in the same day.

You measure distance in minutes, not miles.

All the festivals across the state are named after a fruit, vegetable, grain, insect or animal.

You find 100 degrees Fahrenheit 'a bit warm'.

You think the first day of deer season is a national holiday.

You describe the first cool snap (below 70) as good stew weather.

The local papers cover national news on one page, but require 6 pages for the local high school sports, the county fair, and gossip.

WHY WORRY??

There are only two things to worry about;
Either you are well or you are sick.

If you are well, there is nothing to worry about.

If you are sick, there are only two things to worry about;
Whether you will get well or whether you will die

If you get well, there is nothing to worry about.

But if you die, there are only two things to worry about;
Whether you go to heaven or hell.

If you go to heaven, there is nothing to worry about;

If you go to hell, you'll be so busy shaking hands with old friends,
You won't have time to worry.

So Why Worry?
