Manager's Corner

Till Next Season...

Now that the season is winding down, many of our residents will be making plans to head back up north for the summer. Remember that if you have any planters or flower beds around your place, make arrangements to have them taken care of while you are gone. Also make sure that any lawn furniture, potted plants, or anything else that might become a projectile during our summer storms is safely put away. Clear off your patios and store, put everything inside or under your unit behind the skirting. If you have an outside hose, please disconnect it and store it inside also. During high winds, hoses become like whips. If you have an outside shed, please make sure it is tied down.

Everyone please have a safe trip home and a good summer, and we'll see you next season.

Reminder...

We do not mail out newsletters in the summer. If you want a summer newsletter, please leave self addressed, stamped envelopes at the office and we will be glad to mail them to you. Please leave an extra envelope if you wish your Nov. tax bill mailed

Count the Clovers...

Again, this year, there will be a jar sitting on the counter at the office filled with clover leaves. Please fill out a slip of paper with your best guess as to how many are in the jar and win our mystery prizes. We will be giving out prizes for 1st, 2nd, and 3rd places.

DRIVE WAY SALE

Our Spring Park Wide Driveway Sale will be held on Saturday, March 27, 9:00 am till Noon.

OFFICE CLOSED FOR EASTER

The office will be closed for Easter Sunday, April 4th and starting with Easter the office will be on Summer hours, 9-3 Monday—Saturday, and closed on Sunday.

REC COMMITTEE NEWS...

Thanks to everyone who helped by chairing an activity this season and also to those who have committed to chair an activity for next season. It is because of you and your help that we have such an enjoyable season here each winter.
